

PureSpa **BUBBLE**

BY INTEX

DESIGNED FOR RELAXATION, ENGINEERED FOR DURABILITY

The affordable spa experience

A great way to start enjoying the benefits of a hot tub lifestyle. Intex's all new patented Fiber-Tech™ construction is designed to provide the ultimate affordable spa experience.

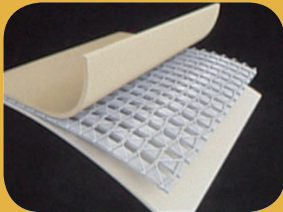

Pamper yourself in relaxing water up to 40°C

Fiber-Tech™ construction for ultimate comfort and support

Relax surrounded by soothing bubbles

Puncture resistant 3-ply laminated material

Easy to set up and user-friendly interface

Insulated cover to minimise heat loss

Carry bag included for easy transport & storage

Comfortable headrest – fits on top of the spa wall

Drinks Holder – Removable for convenience

PureSpa provides relaxation at the touch of a button. The easy-to-use control panel activates the high performance bubble jets surrounding the interior of the spa for a refreshing massage. The heating system adjusts to suit your personal temperature preference allowing a stress free spa experience. PureSpa is simple to maintain with easy-to-replace filter cartridges for lasting enjoyment for up to 4 people.
